Information leaflet on visas and residence permits

- Stand 09/2017 -

General information:

Lithuanian citizens are subject to the free movement of persons within the European Union. Visas or resident permits are not needed any more. For longer-period stays in Germany European Union citizens have to register at the competent registry office (Einwohnermeldeamt) in Germany.

Citizens of Non-EU-Countries, living with a valid permanent residence permit or a category "D" visa in Lithuania can travel to Germany for visiting/business purposes for 90 days within 6 months without another visa.

To stay in Germany for more than 90 days within 6 months and / or working purposes it is not necessary to apply for a visa in advance, if the foreigner has one of the following Lithuanian residence permits:

- residence permit for family members of EU Member States' nationals – card acc. to Art. 10 sec. 1 Directive 2004/38/EC: „Europos Sąjungos valstybės narės piliečio šeimos nario leidimas gyventi Lietuvos Respublikoje“
- “long-term resident – EC” acc. to Council Directive 2003/109/EC: „ilgalaikis gyventojas – EB“

In any other cases an application for a residence permit has to be filed in the German Embassy in advance.

Application forms:

The application forms can be found under the following links or via the website of the Federal Foreign Office → Entry and Residence → Visa regulations.
